FLOOR TROUGHS

## UNIQUE ADVANTAGES

---

- ▶ Flexible grates provide anti-fatigue surface without the use of rubber mats.
- ▶ Eliminates the cost of rubber mats.
- ▶ Saves labor expense by reducing end of night clean up time and eliminating the time required to clean mats.
- ▶ Significantly reduces water usage required to clean mats and less water is also required for nightly floor cleaning since the floor is now much cleaner.
- ▶ Non-slip floor grating reduces slips and Workers Compensation claims.
- ▶ Improves employee retention.
- ▶ Greatly reduces odors in kitchen and bar areas.
- ▶ Reduces workflow interruptions due to spills and cleanup time.
- ▶ Reduces flooring cross contamination and greatly improves facility sanitation.
- ▶ Slotted strainer trays trap particles down to size of grain of rice.
- ▶ Full length drain strainers eliminate drain clogs and backups.
- ▶ Reduces drain line and grease trap cleaning caused by employee removal of standard drain baskets.
- ▶ Timed wash-down cycle.
- ▶ No moving parts and easy to clean.
- ▶ Quick payback of investment; usually in 18 – 22 months.
