

SAY GOODBYE TO FLOOR TROUGH LEAKS

**Sani-Floor®
Trough Leak
Eliminator**

- ✓ Adjustable
- ✓ Easy to Install
- ✓ Affordable

Sani-Floor® Trough Leak Eliminator stops leaks from above grade floor trough installations once and for all! Its unique seepage flange clamps down on a waterproof membrane, creating a watertight seal. Weep holes allow liquids to flow into your building drain line, preventing accumulation and leakage into occupied spaces below. **Fits exclusively with Sani-Floor® Systems.**

Sani-Floor® Systems remove liquids and debris to improve safety and sanitation.

A. Self-Washing Floor System – Removes debris. Great in kettle lines!

B. Dry Trough System – Removes liquids and debris. High capacity works great in dish rooms!

C. Standard Floor Troughs – Removes liquids. Great by ice machines!
